This Is A Family Affair

If you have had any association with the intimate fellowship of Toronto Bible College, you will realize that these words are interestingly true. Those who enter the College as students become a part of a world wide family. They quickly feel themselves a part of a great and wonderful fellowship.

As members of the "Family" they share the joys of friendship; they share the burdens, the work, the task of the hour. They serve the Lord together—humbly, reverently, prayerfully, faithfully,

cheerfully. They graduate and separate, one here, one there scattered abroad for the cause of Christ, even as the early Christians were scattered abroad, yet ever living for Christ and preaching the Word. This separation is not the end of the great family fellowship however. The Family Spirit grows dearer, richer as the miles separate and the years carry one on. For the relationship continues in that great fellowship which is wrought of God — all one in Christ Jesus — as they "Hold forth the Word of Life".

It is not unusual then to think of those who have passed through the halls of the College as members of a world-wide family — separated to serve the Lord, yet to meet together again in the glorious future when the ransomed shall be gathered safely in.

Thus, through the pages of "The Gateway" we invite you to look in upon the Family life of our beloved College.

In The Beginning

Rev. Elmore Harris
D.D.
Founder

With a desire single to God's glory, Dr. Elmore Harris, and a small group of the Lord's faithful servants, founded in 1894, what today is known as the Toronto Bible College.

Rev. Wm. Stewart
D.D.
Principal until
1906

Walmer Road Baptist Church was the scene of the School's first class and the first enrollment numbered twelve students.

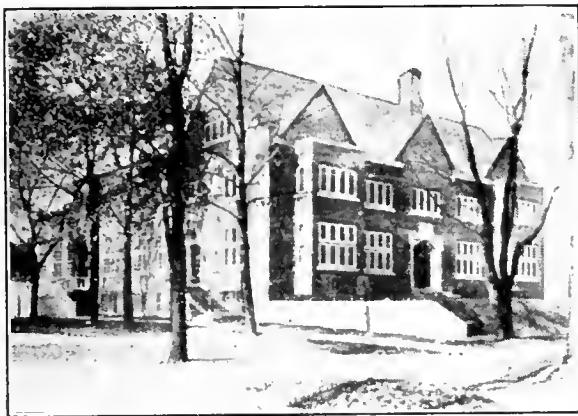

Fifty-three years later at our devotional service on Sept. 26, 1947, Rev. E. A. Valient, D.D., the School's first registered student, told of his early days at the College and of the wonderful work the Lord has enabled him to do through the years.

Toronto Bible Training School
1898-1928

God blessed the efforts of faithful men and growth came. In 1898 a new building was opened at 110 College Street. The Institution then became known as Toronto Bible Training School and in 1916 assumed its present name. That we might be linked in a personal way with the College Street edifice one of our own respected faculty members, the Rev. Dixon A. Burns, B.A., B.Th., was a graduate of 1916.

The College To-day

Toronto Bible College
Since 1929

a College that has stood the test of more than half a century of changing times, we move forward in the strength of the Lord God of Hosts, who alone is able to give victory over the powers of darkness.

South Block
Procured in 1938

Amidst a changing world the progress of Toronto Bible College has continued. The great task of the College principalship fell upon the shoulders of Dr. McNicol in 1906. Through more than forty years under the guidance of the Holy Spirit upon his life, he led the School with devotion and singleness of purpose. Assuming the principalship in 1946, Rev. J. Bernard Rhodes carries this high office today. So it is, that in

May the Holy Spirit of God, Who has permeated the halls of this sacred institution through the years continue to guide and bless. May students as they prepare for a greater service be fitted for the great task of *taking* the "Light" to the dark places of this world.

The Family Prepares

A Student Enrolls.

Upon the day of arrival the student begins preparing for the Lord's greater service. He or she may enter the Preparatory Class for a period of discipline and background training previous to the regular Three-Year Course, or if in position to do so, may begin as a First Year Student in the regular classes. Daily, the student acquires vital truth and teaching and as the years pass, grows in knowledge and wisdom, develops and matures in the glorious truths of God's Word and enjoys a richer Christian fellowship than ever experienced before.

There is much more, however, to College life than the foregoing class pictures convey. While we study the truths of God's Word in the English Bible, Systematic Theology, Biblical Introduction, Homiletics, Evangelism, Music, Missions, Sunday School and Young People's Specialization and a host of other things we find ourselves being moulded under the Master's hand. What a joy to be preparing for service in His vineyard! And while we study and grow, we also witness for the Lord Jesus Christ, individually and collectively, serving our Saviour.

Come with us as we present a picture of College life in this, our "Family Edition" of The Gateway.

The Family Works Together

The Family Altar is the pivot round which life in every truly Christian family revolves. There the family meets together at the Throne of Grace, bringing praise unto God, learning His precious truths and seeking His guidance for each member of the family in his or her practical daily living through the indwelling Holy Spirit.

In our College Family life the guidance of the Holy Spirit is sought through prayer for each individual and for the corporate group, and this practice is followed in every instance of the daily life and work.

The Family Elders set the example in this as the Board meets each month and the Faculty each week. Every matter for consideration is brought before the Lord in prayer and never acted upon until the Holy Spirit has brought all the members to an unanimous decision.

The Holy Spirit's government of the Student Body is wrought out in the same way through the Channel of the Student Cabinet, the various Committees and sub-Committees, and in the life of each individual student.

God's rich blessing upon this obedience to His plan is evidenced in the growth of the College throughout the years; in the messengers who have gone out from its halls to the ends of the earth carrying by life and lip the good news of His glorious Gospel; by the fruits He has given them for their labours, and the testimony of each to the reality of the growing fellowship with Him.

"Call unto me, and I will answer thee . . ."

Many are the invitations in the Word, but to a believer in Christ, the words above form an invitation that we cannot overlook. There are so many things that would rob us of the peace, and joy, that is found in Jesus Christ. The world and its cares try to come between the believer and the Lord, but the child of God who heeds the invitation and calls upon Him will find that God abideth faithful.

An hour with Christ transforms the life. It makes the weak strong. As we spend time in prayer we realize a greater faith in our Saviour, a stronger grasp of our oneness with Christ, and as we find the kingdom of Love, Power and Life in Him it is then that we know our Lord and the power of His resurrection.

As a committee it is our privilege to share the leadership of the Devotional Life of the college. Each morning through the years the students gather to spend the first hour of the college day, by waiting upon the Lord. Each term there is an evening prayer rally, when both day and evening classes join in prayer for the college, praising God for His blessings during the term. The high-light of the Devotional life of the college is the annual day of prayer, when our lectures are set aside, and the student body with the teachers wait upon God in prayer. How the presence of the Lord Jesus Christ was felt in our midst this year with many students being led to a fuller surrender to Christ.

The Sun Rise Service held on Good Friday morning is a treasured memory in the life of each student. What joy is ours to realize that although He died for us, He also reigns victorious—making intercession on our behalf.

Through this college year we have come to realize more fully the value of prayer. "Prayer moves the hand that moves the world."

Missionary Committee

THE MISSIONARY COMMITTEE

Georgette Stevens, Desire Jacques (Pianist), Bill Rogers, Margaret Bragg, Hattie Huebner (Treas.), Marjorie Thompson (Leader), Bob Russell (Leader), Ruth Falconbridge (Sec.), Jean Phillips, Charlie Infurnari, Norma Falconbridge, Douglas Murray (Librarian). Absent: Joyce Kerr (Rec. Sec.), Wrennie Bryant, Ray Costerus.

Psalm 68:11—

*"The Lord gave the word:
Great was the company that published it."*

Although these were the words spoken by the Psalmist centuries ago, the truth of the statement has been confirmed throughout the ages. As the prophets of old received the call of God and proclaimed His Word, as Paul heard the Macedonian call and went forth, as Livingstone and Taylor responded to the Great Commission and carried His word to the lost in Africa and China, so it has been down through the years until to-day—

*"The Lord gave the word:
Great was the company of those that published it."*

There are hundreds of our great T.B.C. family carrying the word of the Lord to those who sit in darkness in the uttermost parts of the earth. Actively engaged in holding forth the work of life to-day are 120 of our brothers and sisters in Africa: 66 have heard the call to carry the good news of salvation to China; India has claimed 31; in South America you will find 63 of our loved ones and throughout Palestine, Assyria, Japan, Europe, British West Indies and Mexico there are 21 members of our family telling the unsearchable riches of Christ. These figures do not cover all our family for there are those too innumerable to mention who are labouring in Canada and the United States.

The younger members of the family of T.B.C., who are now training and studying under the most outstanding Bible teacher, theologian and scholar—the Divine Author of the Word—the Holy Spirit, meet each Wednesday at noon to welcome home or bid farewell to some member of our household who has heard and answered the call to the whitened fields. We gather together each day at one-thirty to remember in prayer our brothers and sisters who are on foreign fields. To pray intelligently for them and to understand their need we meet on Thursday afternoons to discuss and study the problems and conditions under which they labour.

*"The Lord gave the word:
Great was the company of those that published it."*

The Broadcast Committee

Norman Howe, Eileen Sawbridge, Eleanor Welby, Dorothy McMillan (Typist), Cuthbert Thomas (Typist), Ruth Tolley (Sec.-Treas), Kaye Hull (Co-editor), Frances Kerr (Editor), Josephine McLellan (Cabinet Rep.), Helen Durrant (Co-editor), Joyce Stafford (Typist), Jessie Mair, Henry Bell (Circulation Manager), Mildred Law (Reporter), Lillian Dodham (Reporter), David Barclay, Elizabeth Beeforth. Absent: Lollita Kelly (Circulation Manager), Elsie Mathewson (Typist), Shirley Spencer (Typist).

The Broadcast, "a paper for the students by the students" was first printed in 1936. Since that time an entirely new committee has been chosen each year with the result that the paper has reached its present status through the initiative and persistent efforts of many members of the T.B.C. family.

Upon this challenging foundation the new *Broadcast* committee, with much fear and trembling, began its work in September, '47. Believing that the task was appointed of God yet realizing our insufficiency and inexperience, we were drawn closely together in bonds of prayer fellowship which proved, as the year progressed, the source of our strength and guidance in all of our undertakings.

Not only have we enjoyed fellowship in our committee meetings but our interest in the students of the present session has gradually widened to those of former years as we prayerfully considered contributors whose articles would bring comfort and blessing to members of our family in all parts of the world.

Our circulation department reports 525 yearly subscriptions and an exchange library listing several Bible Colleges and seminaries in United States and Canada. Twelve hundred copies of the Christmas issue were published, some three hundred of which were sent as Christmas greetings to our T.B.C. missionaries at home and abroad.

Our committee has worked with "an eye single to God's glory." We praise Him for the experience and fellowship we have had and the opportunities of witness afforded us through the ministry of the printed page. We are anticipating the efforts of future "Broadcasters" with much interest and prayerful sympathy.

To the Christian the Lord has entrusted the sacred task of proclaiming the Word. Will this great company who have been publishing the good news of salvation down through the years, dwindle because we have not yielded to the Call, "Go ye into all the world and preach the Gospel to every creature"?

The Social Committee

THE SOCIAL COMMITTEE

STANDING—Bill Milner, Joyce Smith, Yvonne Sampson, Chris. Costerus, Josephine McLellan (Cao-
inet Rep.), Jim Westman, Barbara Deer, Thelma Tedford, Ethel Chernik, Allan DeGruchy.
SEATED—Gordon Elliott, Mary Cooper, Glen Newson, Lucinda Snyder, Florence Pletsch (Sec.),
Bill Crump (Assoc. Leader), Enid Carter (Leader), Mildred Smith (Assoc. Leader), Sheila Hoag
(Treas.), Melvin Lindo, Verna Kelso, David Cameron, Fay McDonald, Wrennie Bryant.

If one were privileged to peek behind the closed doors of the kitchen several days and even weeks prior to a coming social event, he might be surprised to see all the hustle and bustle of activity there is as the members of the social committee make varied preparations for a family social function. Even the boys have their "finger in the pie" and become quite domesticated by the end of the college year.

Each social is planned to meet a need in the lives of the students and it is prayed that the fun and fellowship might not only meet the physical requirements of youth, but will be a means of drawing the school family closer to each other and to God, as well as being a witness to the visitors present.

A warm September evening was the setting of the first social of the college year as 250 people gathered around the glow of a camp fire beside the Humber River for a weiner roast. As the flames crackled up toward the sky, thoughts were instinctively carried to the silent great above.

All the imaginable fictitious characters came to the Hallowe'en Party at the Baraca Club for a time of laughter and fun. The day was ended with God in the circle of the T.B.C. family as one of the faculty led in devotions.

The annual Christmas dinner and programme are always enjoyed by the students and faculty and Santa is a popular visitor each year on the final day of the pre-Christmas term.

The skating party, the Good Friday Sunrise breakfast and the Social on the final day of the College year are always enthusiastically enjoyed, even as are all the Family Social Activities.

As members of the Social Committee have laboured together during the year the desire has been that of 1 Corinthians 10:31—“*Whether therefore ye eat or drink, or whatsoever ye do, do all to the glory of God.*”

Nurse's Contact Committee

Bill Rogers, Patricia Gourley, Lorna McComb,
Kim Norris (Leader), Doreen Kerr, John Miller

We thank our Father, God, for His watchful presence over His family here at T.B.C. He has wonderfully strengthened and maintained the general health of the student body; and to those on beds of illness He has been a presiding comfort, bestowing rich blessings.

Within our "Family" of brothers and sisters in Christ, like many a normal family, sickness does arise and we have no monotony in the variety of our infirmities. They include a wide range, from nose-bleeds to mumps and measles, each one requiring its own special and sympathetic care or attention.

It is then the privilege of the little group within the family, known as the Nurse's Contact Committee, to lend aid to the sick and visit the shut-ins at their homes or in the hospitals. Thus we minister in Christ's name to those who require our help.

Does Jesus care when our bodies grow weak and illness overrides? Oh yes, He cares for He "Himself took our infirmities and bare our sicknesses". Matt. 8:17. May Christ be our Great Physician and Guide, as we continue this phase of the Family Ministry.

Voluntary Work Committee

"Let us not love in word, neither in tongue; but in deed and in truth."

All works are good,
And each is best,
As most it pleases God;
Each worker pleases
When the rest
He serves in charity.

As members of our great Bible College Family and workers together with Jesus Christ, the Head of this family, we of the Volunteer Work Committee maintain the spirit of co-operation in the life of the College.

Love for our Alma Mater is not only manifest in the words we speak but also in the deeds we do as each serves his or her Lord and Saviour in the seemingly trivial duties we perform for the Master.

Evangelistic Committee

Lilyan Brandon, Nancy Hills, Russell Flaxman, John Roberts, Audrey Roberts, Irene Quick.

"He that winneth souls is wise" — Proverbs 11:30.

The ultimate purpose of each member of our College family is that he might be a soul winner.

This fact is evident in the earnest desire of the Evangelistic Committee to seek ways and opportunities of telling forth the unsearchable riches of Christ Jesus.

Our hearts thrill as the Lord opens up doors of service through which we can proclaim the wonderful news that "Jesus Saves".

We herald it "To the Jew first" in tract distribution and house visitation; to the children in Bible clubs and Sunday Schools; to young people; and to men at work as we visit Greev's foundry and the Railway Mission. The sick at Toronto General Hospital look forward to our meetings with them each Sunday morning. Another opportunity afforded us is that of entering behind the closed doors of the jail to bring the much needed Gospel of Jesus Christ to souls in the bondage of prison and the bondage of sin. These opportunities and many others enable the message of Salvation to be sent out in sermon, testimony, and song.

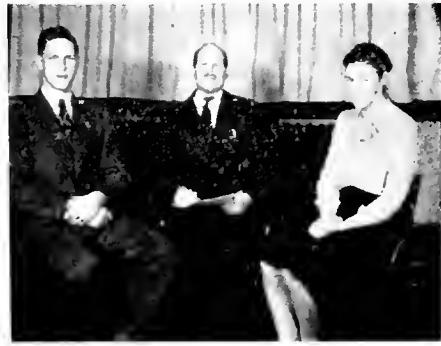

There would be no power in our witness and our labours would be in vain if it were not for the ministry of prayer that accompanies each detail of our work.

"The Lord hath done great things for us whereof we are glad."

Our song, dear God, we do release
In humble hope it may by Thee be blest,
And like the Dove may chance, find lodgement meet—
Or like the seed find haply, fertile soil
And increase earn—the glory Thine!
Unto Thy Throne, O Father, may it rise
An incense sweet, prayer—borne, acceptable to Thee.

Ernest Shildrick, 1948.

God has given, to each one, a gift to be used in His service and for His glory. We, as an Evangelistic group within the College family, have had the privilege of ministering in song to those outside of our family. Two Sundays out of three of the College year, the Mixed Choir, the Ladies' Choir, the Ladies' Double Trio and the Male Quartet have conducted services in Churches in Toronto, Woodstock, Barrie, Brantford, Owen Sound and other Ontario centres. The work of the Choir is carefully prepared not only in song, but all details of arrangement for each appointment are carefully thought out, worked over and prayed for before the appointment is fulfilled. By waiting upon God and by studying each appointment individually we have been trained for further service, and God has abundantly blessed us in this ministry.

One of the never-to-be-forgotten experiences of the year was the Campaign at Barrie. In November the Choir, together with a group of personal workers, all members of the College family, left home and travelled about sixty miles north to the town of Barrie, where a week of meetings, including visitation evangelism, child evangelism and Church evangelism, was conducted. We know of blessings that came to homes and to individual lives, but, of course, we are not aware of all the results that followed such an effort. Some of the ministers have since informed us that months after the Campaign was over, decision cards were still being returned to them. With joy in our hearts we thank God for permitting us to engage in such a ministry.

Something New Has Been Added

PROMOTION WEEK COMMITTEE

Eileen Langthorne, Henry Bell, Lillian Dodham, Marjorie Thompson, Russell Flaxman, Josephine McLellan, Grant Wright, Eileen Bell, Harold Scott.

Last October, under the leadership of Russell Flaxman, we launched into "never-to-be-forgotten days" of Promotion Week with this three-fold purpose:

1. To pray for a deepening of the spiritual life of the student body, that in turn others might be enriched by the beauty of Christ in our lives.
2. To promote the College spirit in the Student body that together we might serve more effectively.
3. To raise \$350.00 to complete the purchase of a sound system and film projector (to be used in the work and witness of the College).

Our unique motto was T.B.C.: "To Be Christlike".

Each day emphasized different phases of the College life and Monday was "College Day". Lolita Kelley reviewed the symbolical meaning of the School colours: the black background representing sin, the red covering it to represent redemption through the Blood and over this the white for the result—a purified life as a result of the Divine remedy being applied to sin.

Tuesday was Founders Day. Ruth Tolley reviewed briefly the history of the College and its clear-cut witness for the Lord which has continued for more than half a century. Day and Evening Classes assembled in the evening for prayer.

Missions were emphasized on Wednesday. Lilvan Brandon, in reminding us of the Great Commission presented a challenge concerning the need for labours.

In the evening a Halloween Social was held at the Baraca Club, that the social side might also play a part in the life of the "College" home and family.

Thursday, "Promotion Day" was held and Grant Wright spoke on the principles of the College, referring to the special way in which the Bible is taught, as well as speaking of the recognition given to the corporate leadership of the Holy Spirit.

"Consecration Day" was held on Friday and a tribute to Dr. McNicol was read by Josephine McLellan. Russell Flaxman, on behalf of the Students, presented Principal Rhodes with the Promotion Week proceeds, \$750.00, rather than the intended \$350.00!

Promotion Week has greatly enriched our College life spiritually and we go forward in the hope that this new phase of the College program will be continued and extended in the years to come.

THE BOARD OF GOVERNORS

The traditional description of the British Navy, "the silent service", might fittingly be used of our Board of Governors. Certainly, to the student body, the Board is little more than a name. But like many another "Power behind the Throne", the Board exerts a very definite and potent influence.

The efficient management of the business affairs of the College is the direct responsibility of the Board but its interest is by no means confined to this aspect of the College. Its interest, genuine and warm, in the students both as a body and as individuals is real and practical. This is seen in the Board's ready support of all suggested schemes for the betterment of the College and for the advancement of the students' interests.

Important and necessary as these things are, yet prayer, corporate and individual, is perhaps the greatest single contribution of the Board to the College. In addition to the prayers of the individual members the Board meets once a month with the expressed purpose of bringing all the varied interests of the College to the Throne of Grace. Thus undergirded by the power of fervent and sincere prayer the College is kept sweet and whole in all Spiritual matters.

Thus these godly men, working quietly and efficiently in the background of our College life, nonetheless exert a potent and beneficent influence. And while we may not see them very often we are none the less conscious of their prayerful interest and ready help, and for both we are grateful.

Dr. McNicol

PRINCIPAL EMERITUS

REV. JOHN McNICOL.
B.A., D.D.

DR. McNICOL joined the College Staff in 1902 and four years later became Principal. He was graduated from the University of Toronto with honours in Classics and from Knox College with the post-graduate B.D. degree. In 1935 Knox College conferred upon him the honorary degree of Doctor of Divinity.

Dr. McNicol is widely known as a writer. Articles from his pen have appeared from time to time in both American and British periodicals. His books include *The Christian Evangel* and *Thinking Through the Bible* in four volumes.

In 1946 Dr. McNicol retired from the office of Principal, but he continues to lecture as our beloved Principal Emeritus.

From his long experience of teaching in the College, there stands out—so he writes—two supreme impressions:

"First, the wonder of the Word of God. Although I have gone over the Bible again and again with successive classes of students, it has never lost its freshness. You can exhaust any human book after a few readings, but you cannot do that with the Bible. I have seen young minds expand under its influence like flowers unfolding to the rising sun. Second, the beauty of spiritual fellowship. I have found something peculiarly fine in our T.B.C. fellowship, not because the students are any better than other Christian young people, but because they respond to the Divine urge in their hearts and are willing to make Christ the Lord of their lives. This makes Him a reality among us."

Words cannot express all that Dr. McNicol means to the great College family which is now spread around the world. Indeed the only fitting way of showing our gratitude to him is by lives surrendered and selves crucified so that Jesus Christ lives through us continually.

REV. J. BERNARD RHODES,
M.A., B.D.

Rev. J. B. Rhodes

COLLEGE PRINCIPAL

OUR gifted and highly esteemed Principal has in a double sense travelled a long way since he was born in China of parents who were missionaries with the China Inland Mission.

The foundations of his education were laid whilst a pupil at the mission school at Chefoo. That they were well laid is the testimony of all who have ever had to take notes of his lectures.

From Chefoo to the University of Toronto only meant the placing of bricks on the foundation already laid. In 1925 Mr. Rhodes took Honours in Philosophy, and in 1926 he received his M.A.

Seeking fresh fields to conquer our Principal next turned his footsteps to the U.S.A., where he spent one year as a seeker after knowledge at Princeton Seminary. On leaving there he returned to Canada and the University of Toronto, this time to Knox College from which he graduated in 1929 as head of his class; an achievement

which surprised no one with the exception of Mr. Rhodes himself.

His thirst for knowledge unquenched the Presbyterian College, Montreal, later welcomed him and in 1941 bestowed upon him his post-graduate degree of B.D.

In addition to these activities Mr. Rhodes has had a God-blessed ministry of ten years in the Pastorates of Exeter and Cobourg. It was from the latter place that he was called in 1939 to a permanent place on the College Staff. But not before he had shown his powers as a special lecturer on Systematic Theology over a period of four years.

In September, 1942, his appointment as Vice-Principal was greeted with sincere rejoicing by all who knew both the man and the institution. In April, 1946 on the retirement of Dr. McNicol, our universally loved Principal Emeritus, Mr. Rhodes was asked to assume the position he now holds.

Rev. D. A. Burns

SUPERINTENDENT OF STUDENT ACTIVITIES

REV. DIXON A. BURNS
B.A., B.Th.

MR. BURNS fills with untiring energy and unfailing efficiency the onerous office of Superintendent of Student Activities. However this is not all that he does. When not lecturing on such profound mysteries as "the integration of the personality" in the Psychology class, or when he is not quoting from one or more of the many books on Homiletics, and he has read them all, he is to be heard counselling future ministers and future ministers' wives on matters Pastoral. Not that these exhaust the number of Mr. Burns' activities. "Time would fail me to tell" of such subjects as Public Speaking, Evangelism, Child Education, Public Worship and finally, the affairs of the Alumni Association, of which he is the indefatigable Secretary-Treasurer.

Any person with such a wide range

of interests should have a background worthy of note and Mr. Burns is no exception. First of all he was born in Scotland, but we try not to hold that against him. He was for some time, of all things, a reporter on one of the Toronto Dailies. He is a Graduate of T.B.C., having graduated from the Two Year Course in 1916, and was a Post-graduate of 1917. After leaving here Mr. Burns graced the halls of McMaster University from where he graduated with his B.A. and B.Th. In the year 1929 he became a member of the Faculty of T.B.C.

One of the unique facts in connection with Mr. Burns is that not only he but also his wife and only son, Paul, are graduates of T.B.C. This is a record among the members of the Faculty but not, we hope, unique in the sense of never to be repeated.

Dr. J. M. Waters

REGISTRAR

J. M. WATERS, M.D., C.M.

Our amiable Dr. Waters was born in Middlesex County. He attended Strathroy and London Collegiates, and after a Model School course, taught for three years in London.

From the age of thirteen he had looked forward to being a missionary, and with this in view, entered university to study Arts and Theology.

At the end of his second year in Arts, he was sent as a student pastor to a field in Manitoba. The doctor there, a fine Christian man, when unable to obtain a nurse, pressed him into service as a substitute. This was used to change the course of his life, for it led him to take a medical instead of a theological course. He was graduated from Trinity Medical College in 1902.

Dr. Waters spent the following year as intern in a Toronto hospital, and while there met a missionary-minded nurse who later became his wife.

In November, 1903 they arrived in Rutlam, Central India, a city of some 28,000 people. They were destined to spend most of their 23 years in India at this station. Until 1911 there was only a dispensary in Rutlam, but that year Dr. Waters was permitted to commence the erection of the Rutlam Mission Hospital, which has since developed into a most important medical centre.

Dr. and Mrs. Waters have a great love for children and have been blessed of God in this type of work. They found the children of India just as lovable as Canadians, and can tell thrilling stories of youngsters coming to know Christ as Saviour while being treated at the hospital.

Dr. Waters joined the Bible College staff in 1925, served for a time as Director of Student Activities and for twenty-two years as the devoted and beloved Registrar. We have seen embodied in him all the traits of a life fully yielded to Christ. Our prayer for him is that God's gracious hand may guard, direct and bless him as he continues to serve the Saviour he loves.

MR. ERNEST SHILDICK

Mr. Ernest Shildrick

INSTRUCTOR IN MUSIC

KNOWING Mr. Shildrick as we do, we are assured that music, in all its beauty and form, has always had a very vital part in his life. The basis of his training, he claims, was not obtained in any professional institution but rather in the family sing-songs around the organ. All members joined in the singing in well-blended harmony and he loves to recall those happy boyhood days of training.

Our music instructor is one of those quiet, humble Christians who have a deep, rich experience in the Master's vineyard but of which we know very little. After high school training Mr. Shildrick entered the Ontario College of Education and after completion of the course received his Teacher's Diploma, thus qualifying him as a competent and efficient High School teacher. Throughout these years God's hand had been definitely leading him to a definite decision and it was not long before he knelt in simple faith and asked Christ to come into his heart and life.

The hardware business took up much of his time but his talent could not long remain hidden. Asked to do solo work in a large Toronto church, our versatile instructor con-

sented and God saw fit to use his voice to the glory of our Lord and Saviour. From then the way opened up for service in many fields. The leadership of a succession of church choirs, studying voice with outstanding instructors, culminating in his personal training of voices have all been stepping stones to his work here at college.

In 1925 with a fine record already established for choir leading and personal vocal training, Mr. Shildrick came to T.B.C., to direct the music of the College. Our music classes are held regularly twice a week and he has given to them devoted and loving service. Most of us have not been given the gift of a beautiful voice and yet, under his able leadership, our voices blended into one great choir year after year. Not only does he train the students as a unit but small choirs, trios, quartettes and solo work have received his kind and faithful counsel.

His strength of Christian character and simple trusting faith in the Lord he loves will long be remembered. They will continue to be a source of inspiration to us as we endeavour to put a song in the hearts of others even praise unto our God.

REV. F. G. VESEY, B.D.

Rev. F. G. Vesey

SECRETARY

Mr. Vesey became Secretary of the College in 1910. Upon completing his training and preparation, he served as a young man, for three years as minister in England, resigning his pastoral charge to become the representative of the British and Foreign Bible Society in Korea and Manchuria. Here he had oversight of a large city Church, as well as supervision of the colporteur work of the Society and the direction of a boys' High School.

During his period of service with the Bible Society he came into contact with the work being done by the Canadian Presbyterian Church and eventually became a member of this Mission. Upon returning to Canada he was minister for 14 years of the Parkdale Presbyterian Church, which he served with distinction, leading the congregation in several important endeavours. During this period he represented the Church in Canada at the General Assembly of the Church of Scotland.

Since coming to the College he has taken a keen interest in its business affairs, and as Secretary to the Board of Governors, he has had responsibility for dealing with the Government and other agencies during the occupancy of the south building by dentists and technicians who were temporarily accommodated there throughout the war years and since.

In addition he has given much thought and time to building up financial support for the College, especially amongst the business men of Toronto. Mr. Vesey also lectured for several years in the regular evening classes.

MRS. J. B. RHODES

lecturer, Mrs. Rhodes was deeply impressed with the unique friendly fellowship that we, as a student body, share. In her life among us we have been convinced that there is no higher ideal than that of a life wholly surrendered to God's will. Those of us who have been privileged to study in her classes have found that she is indeed more than a teacher. To us she has been an understanding friend, a spiritual guide and an example of Christian grace and humility.

Although the subjects taught in the Prep. class are sometimes termed "secular", through her ministry we have learned that even these studies can be sacred if they are used to glorify the Lord and to fit us better for service in His Kingdom.

REV. J. B. MC LAURIN, B.A., D.D.

Principal of McLaurin High School and the Theological Seminary in Coonanada, a training school for native workers. His field was among the Telugu people.

Some twelve years ago he was summoned to fill the office of General Secretary of Canadian Baptist Foreign Missions. Today he is widely recognized as one of North America's outstanding missionary statesmen.

The graduating class of '48 will not soon forget Dr. McLaurin, nor will it easily lose "the vision splendid" which has been granted us of the fields which are "white unto harvest".

Mrs. J. B. Rhodes

Goderich, Ontario, was the home-town of our capable Preparatory Class teacher. As far back as she can remember Christ has held first place in her heart and life. After High School the way opened for her to attend Stratford Normal School, thus following in the train of five sisters who also entered the teaching profession.

The sincere desire to serve the Lord she loves has been shown actively as she taught Sunday School, took leadership in various girls' groups, engaged in Women's Work and served efficiently on the Presbyterial and Provincial W.M.S. Boards of the Presbyterian Church.

Coming to T.B.C. in 1939 as a part time

lecturer, Mrs. Rhodes was deeply impressed with the unique friendly fellowship that we, as a student body, share. In her life among us we have been convinced that there is no higher ideal than that of a life wholly surrendered to God's will. Those of us who have been privileged to study in her classes have found that she is indeed more than a teacher. To us she has been an understanding friend, a spiritual guide and an example of Christian grace and humility.

Dr. J. B. McLaurin

One of the really outstanding things to mark the session 1947-48 has been the course of Lectures on Missions given by Dr. McLaurin. Not only have these lectures been intensely interesting and highly instructive, but they have also been challenging to our spirit of apathy and self-satisfaction.

Dr. McLaurin is well-qualified to lecture on such things in view of his being born in India of missionary parents; surely a very propitious beginning!

Like missionaries' children the world over Dr. McLaurin was sent home to be educated. He attended Woodstock College and McMaster University. Returning to India he became

Mr. S. Brownsberger

In 1923 he set aside his teaching, once again to become a student, entered Toronto Bible College and took the three-year course, during which time he received much in the way of training, both from the spiritual and practical standpoints. He was Head Boy in his final year. Graduating from the College he returned to the teaching profession. Needless to say, his teaching has been enriched by his Christian experience and his love for young people is a valuable asset in his work, both in church and school.

Mr. Brownsberger visits the College every Thursday evening during the session to instruct in Sunday School Specialization. It is his desire to impart to those who attend his lectures a clear vision of every child's need of the Saviour.

REV. C. A. ARMSTRONG,
M.A.

time he completed his Matriculation. Continuing his studies he attended McMaster University and obtained his Bachelor of Arts Degree in 1940.

During the next six years he served pastorates in Blenheim and Sudbury and won the degree of Master of Arts.

In September, 1946 he was invited to become Sessional Lecturer in Toronto Bible College and has been carrying on this work very efficiently, at the same time carrying on his studies at the University of Toronto for his Doctorate in Philosophy.

Mr. Armstrong says of his work here, "Ever since my student days in this institution I have felt that I owed an unpayable debt to the Bible College. These two years of part-time association with students and staff have only served to deepen that feeling. It is a high honour to share even in a small way in the preparation of other students for Christian Service."

Mr. S. Brownsberger

Mr. Brownsberger is another one of our Family who has "come home", having graduated from the College in 1926, returning in 1946 to become one of our sessional instructors.

He was born on a farm in Markham Township and in his early teens accepted the Lord Jesus Christ as personal Saviour. As a result of that change in his life he became a faithful worker in the Sunday School and Young People's departments of the Mennonite Church in that district.

After completing High School Mr. Brownsberger prepared himself to enter the teaching profession, and is today a teacher in one of Toronto's Public Schools.

In 1923 he set aside his teaching, once again to become a student, entered Toronto Bible College and took the three-year course, during which time he received much in the way of training, both from the spiritual and practical standpoints. He was Head Boy in his final year. Graduating from the College he returned to the teaching profession. Needless to say, his teaching has been enriched by his Christian experience and his love for young people is a valuable asset in his work, both in church and school.

Mr. Brownsberger visits the College every Thursday evening during the session to instruct in Sunday School Specialization. It is his desire to impart to those who attend his lectures a clear vision of every child's need of the Saviour.

Rev. C. A. Armstrong

Mr. Armstrong's early years were spent on a farm near Sault Ste. Marie. Dropping out of school in his early teens, he became a delivery boy, then a meat-cutter; and it was while thus employed that his life became thoroughly readjusted through the acceptance of Jesus Christ.

In obedience to the "heavenly vision" he began proclaiming the Gospel to others by distributing tracts among the Chinese and by preaching in school-houses in the surrounding countryside.

Convinced of a call to the ministry he entered Toronto Bible College, graduating in 1935. For the next eighteen months he served a pastorate in Thurso, Quebec, during which

time he completed his Matriculation. Continuing his studies he attended McMaster University and obtained his Bachelor of Arts Degree in 1940.

During the next six years he served pastorates in Blenheim and Sudbury and won the degree of Master of Arts.

In September, 1946 he was invited to become Sessional Lecturer in Toronto Bible College and has been carrying on this work very efficiently, at the same time carrying on his studies at the University of Toronto for his Doctorate in Philosophy.

LIVING FOR CHRIST

CLASS CREST SYMBOLS

The Shield of Faith that giveth us the Victory in overcoming the world.

The Open Book - our Guide book on the journey of life.

The Torch - the Light of the World who dispels the darkness of the way.

The Sword of the Spirit with which we defeat the enemy met with on the way.

FOR ME TO LIVE IS CHRIST.

Philippians 1:21

*O Jesus, I have promised
To serve Thee to the end;
Be Thou for ever near me,
My Master and my Friend!
I shall not fear the battle,
If Thou art by my side;
Nor wander from the pathway,
If Thou wilt be my guide.*

*Oh, let me feel Thee near me,
The world is ever near;
I see the sights that dazzle,
The tempting sounds I hear;
My foes are ever near me,
Around me and within;
But, Jesus, draw Thou nearer
And shield my soul from sin.*

*Oh, let me hear Thee speaking,
In accents clear and still,
Above the storms of passion,
The murmurs of self-will.
Oh speak, to reassure me,
To hasten or control;
Oh speak, and make me listen,
Thou Guardian of my soul.*

*Oh, let me see Thy footmarks,
And in them plant mine own;
My hope to follow duly
Is in Thy strength alone.
Oh, guide me, call me, draw me,
Uphold me to the end;
And then in heaven receive me,
My Saviour and my Friend!*

Annie May Baker, Thornhill, Ontario.

With a desire to learn more of her Saviour Anne set aside her work in a jeweller's factory and became a member of the college family.

She is continually busy for her Lord. Her lovely voice blends with the Double Trio, and the Evangelistic Choir. She served as Assistant Leader of the Yonge St. Mission work in '46-'47, and is Treasurer for the Choir Committee this year. She also does Sunday School and Mission work.

After five years with Christ as Saviour she finds that "He becomes more precious daily". The door of the future has yet to be opened for Anne, but she has committed herself fully and declares that "Where He leads me I will follow". Her favourite verse is II Peter 1:4.

Eunice Ruth Baldwin, Coaticook, Quebec.

Quiet and efficient, Eunice has endeared herself to all her class-mates and fellow graduates. A high school graduate with a deep desire to learn more about her Lord she enrolled at T.B.C.

In her own capable manner Eunice has served faithfully on the Social Committee '46-'47, and the Women's Work Committee of the Evangelistic Band in her graduating year. She has been an active worker in Sunday School and Mission work and has shown her love for Christ in her efficient leadership of various Bible Clubs in Toronto.

Her prayer is for a life free from self and centred in Christ. After graduation Eunice plans to further her education in preparation for missionary service. Romans 8:28 is her favourite verse.

Hazel Beatrice Ball, Vienna, Ontario.

Beatrice is an example of the triumph of modesty and quietness.

During the war Bea was a stenographer in the Department of National Defence (Army), which fact may explain why we won the War! Such training has stood her in good stead at T.B.C. for she has served as Broadcast typist '46-'47, Secretary of the second year Executive, '46-'47 and Cabinet Secretary '47-'48.

Outside of College Bea has been a Sunday School teacher and a capable Young People's leader.

Even Bea's favourite Scripture verse reflects her quality of living. It is Galatians 6:14. Bea is thinking of further training, in which we know she will be successful.

Robert Martin Bourke, Regina, Sask.

Our genial Head Boy gives credit to a Christian home and Sunday School as being instrumental in his conversion at the age of eleven.

He served as Commercial Traveller for a Dry Goods firm in Regina. Leading Boy's Work, Sunday School teaching, Young People's Work, and other Church activities helped to fill his time.

In the Army God called him to the ministry and he began studies by correspondence in preparation for the Lord's work.

While in T.B.C. as Leader of the Devotional Committee '46-'47, Head Boy and Gateway Editor '47-'48, Assistant Pastor of Memorial Baptist Church '46-'47 and Student Pastor of Capreol Baptist Church '47-'48, Bert's steadfast, practical Christian life has been an inspiration to all of us.

For the immediate future he has accepted a call to Shaunavon, Sask., where he has been Student Pastor during the summers of '46 and '47.

2 Corinthians 12:9 "My grace is sufficient" is Bert's assurance for present and future.

Lilyan Alberta Brandon, Hillsdale, Ontario.

Before coming to us Lilyan was employed as a stenographer at Soldier's Memorial Hospital in Orillia. Words cannot express her joy while here at T.B.C. Her happiness in Christ is continually revealed by her vivacious, enthusiastic manner in serving Him.

In her second year, '36-'47, she became Secretary of the Social Committee, and in her final year, '47-'48, she has held the positions of Treasurer of the Evangelistic Band, and Secretary of the Third Year Executive.

For the past two summers she had the privilege of serving on a mission field at Dorion, Ontario.

Lilyan's future is unknown as yet but she is conscious of a deep, abiding peace in her heart that more than satisfies as she journeys on, "living for Christ".

Margaret Patricia Burton, London, Ontario.

"Marg" has had a busy life thus far in the service of the Master. After high school, work as a nurse's aide, and five months in the Ontario Farm Service, she enrolled at T.B.C. where she has found the family spirit most enjoyable.

The prayer life and music have meant much to her. She served as College pianist and on Young People's Work and Gateway Committees during '47-'48, and on the Social Committee during the year previous. She has been a faithful worker in the Bible Club movement, her interest being chiefly in children.

The Lord willing, she will teach boys and girls in Africa. She goes forward in the assurance of God's Word in Isaiah 41:10, "Fear not . . . I am with thee".

Dorothy Enid Carter, London, Ontario.

Enid, who hails from London, is one of those modest souls whose good works are often unnoticed by the busy world. During her three years here Enid has filled, with quiet distinction, positions of usefulness: typist on the Broadcast staff of '45-'46, member of Second Year Executive and Secretary of the Missionary Committee '46-'47, and Social Convener '47-'48. Enid's experience as sales girl and office worker, prior to coming to T.B.C., has obviously been of great value to her and to the College.

Children's work seems to come naturally to Enid who is interested in Sunday School, Bible Club and Daily Vacation Bible School Activities.

Enid's prayer is that like Peter, she may "feed His lambs and sheep". Favourite Scripture verse, Romans 11:33-36.

Margaret Jean Cook, Blackwater Junction, Ontario.

Jean attended public school and spent some time as clerk in a store in her home town of Sunderland.

In 1941 she gave her heart to the Lord and since then has found her fellowship with Him growing sweeter day by day. Her testimony is "The Lord hath done great things for me whereof I am glad".

During her years at Bible College Jean has taught Sunday School. She has also contributed much to the work of the College as a member of the Devotional Committee '46-'47, of the Evangelistic Committee '47-'48 and as the busy Leader of the Evangelistic Choir Committee '47-'48.

Her favourite verse is 11 Corinthians 13:4.

Jean's sweet voice is indicative of her sweet character and both are given unstintingly in her Master's service. As she leaves T.B.C., her desire is to serve Him on the Foreign Mission Field.

Edith Irene Farrar, Verdun, Quebec

Born on a farm in the west, Irene first heard the gospel through a radio broadcast. In her early teens, she came under the influence of Christian friends and surrendered her life to the Lord.

Before coming to T.B.C. she was engaged in office work for three years with the C.P.R.

Willing to serve, Irene has been of great value on the Hospital Committee, and as typist for the Broadcast and Gateway Committees. An active worker for Christ, she has enjoyed speaking and visiting at the Hospital, teaching in Sunday School, and working among Young People. She has also done Sunday School Mission work in Quebec.

Further study and preparation for the Lord's work seem evident for Irene. As she leaves us, she rests on the promise of Philippians 4:13, "I can do all things through Christ which strengtheneth me."

Russell George Flaxman, Toronto, Ontario.

When only nine Russ. accepted Christ as his Saviour, his conversion taking place in the Sunday School class he was then attending. Since that time he has enjoyed his Christian walk and has had the privilege of being a pastor for five years. Russ. is one of our number who has done a lot of important work behind the scenes to promote the interests of the College. In a friendly, yet serious manner, he has served as Broadcast Subscription Manager '45-'46, Missionary Leader '46-'47, Evangelistic Band Leader '47-'48, and as Chairman of the Promotion Week Campaign in his last year. His musical talents have been put to good use as choir leader '47-'48, and he has been a member of the Male Quartet and Evangelistic Choir during his college course. Wherever God leads Russ. is willing to go, for he has learned the secret of trusting in Him. As he leaves the College the Lord is leading him into the field of Child Evangelism and we wish him Godspeed. His favorite verse is Rom. 8:28.

Gladys Jean Fowler, Galt, Ontario.

Since Jean accepted Christ as her Saviour, God has led her into an ever-increasing realization of His nearness both in joys and trials, for which she gives Him praise.

Her College activities have included Sunday School teaching '45-'46, membership in the Evangelistic Choir and the Social Committee '46-'47, and the duties of Associate Leader of the Devotional Committee '47-'48.

Mission work at Dorion, Ontario, in the summer of '47 has proven to Jean God's all-sufficiency and has given her training invaluable in future work.

Following a Nurse's course she looks forward to service for her Lord in the Far East, knowing that wherever He may lead she can depend upon His promise in Philippians 4:19. Doubtless many there, as we have been here, will be helped by her sympathetic and understanding nature.

Stella Marie Gaveriuk, Port Colborne, Ontario.

Active, ardent devotion to her Lord and a radiant smile reflecting that devotion are the keynotes of our Associate Head Girl's life. Since her conversion, Christ has manifested His keeping power each step of the way.

Having a desire to take the Gospel to the Ukrainians, Stella left her position of bookkeeper and sales-clerk and entered T.B.C. Here missionary fervour has become more deeply implanted in her heart.

At College we have been inspired by her willing service as Broadcast Typist '45-'46, Missionary Committee Treasurer '46-'47, and Choir Secretary and Conductress in her last year. Her service for Christ has included singing in the choir and working in the All People's Mission at home.

Stell. leaves us for further training with this prayer: Her favourite verse is Psalm 34:8.

"That I might know Him more clearly,
Love Him more dearly,
and Walk more nearly every day."

Elvin Alexander Harbottle, Guelph, Ontario.

A fellow student's opinion of Elvin aptly sums up the opinion of all. "Through his frank and sincere manner, his dependability and consistent testimony, he has won the confidence and respect of all."

During his college course Elvin has been a keen supporter of the Jewish work. At all times he has been diligent and faithful in interest and action among God's Chosen People.

Elvin was not only brought up in a Christian home but was converted quite early in life, from which time he has been a faithful follower of the Lord Jesus.

No one knowing Elvin is surprised that he is interested in Sunday School work, nor that he hopes to serve his Master on the foreign mission field. We are all sure he will give there, as everywhere else, his very best in God's service. Favorite Scripture verse: Proverbs 3:5, 6.

Ruth Christine Hendrickson, Bergland, Ontario.

Ruth came to know Christ as her Saviour when a child of eleven years of age.

Before entering T.B.C., she had gained a variety of experience through Domestic work, clerking in a general store, and employment in a candy factory.

At the College, the Social Committee '46-'47 and the Devotional Committee '47-'48 both profited by having Ruth as a member. Work as Church Clerk and Sunday School teacher, as well as eight months of service under the Mission Covenant Board, have also provided avenues of service for her Lord. Her own testimony of her days in T.B.C. is that she has learned to know and love Christ more.

In the future Ruth desires to be "A light along the way", in obedience to her Master's command in Matthew 5:16. Knowing her, we are confident that the light will shine brightly and bless many by its rays.

Nancy Edith Hills, Ottawa, Ontario.

Nancy comes from Canada's capital city. Before entering T.B.C., she had gained her Commercial Diploma and had served for four years as a stenographer in the Department of National Defence.

She has been active in Sunday School, Children's Work, and Choir Work.

During her course at the College she has served as Secretary of the Evangelistic Choir '46-'47, and Secretary of the Evangelistic Band '47-'48.

"Great is Thy Faithfulness, Lord, unto Me" is the theme of Nancy's song of praise to the Lord for His blessing and guidance in her life. Her desire is to serve Him wherever He may lead, and her confidence is in Him, "For He is our peace", Ephesians 2:14.

We are confident that quiet, untiring service such as she has given in College will bring honour to her Saviour through all the future.

Hattie (Hade) Huebner, Virgil, Ontario.

Before coming to College, Hattie was employed as a farmerette, in domestic work, and for an electrical company in St. Catherines. Christ became real to her while in her teens and she entered T.B.C. to learn more about her Saviour.

In her quiet way, she has served as Treasurer of the Choir Committee '46-'47, Treasurer of the Missionary Committee '47-'48, and as Secretary of the Gateway Committee in her graduating year. She has been active in Sunday School, Bible Clubs, Vacation Bible Schools, and during one summer served as a Counsellor at a fresh air camp at Bronte.

Following graduation, Hattie is expecting to take a nursing course. She finds great joy in meditating on Psalm 91:1

Ethel Desire Jacques, Scudder, Ontario.

In a quiet way Desire has studied and served efficiently during the past years. We have had the pleasure of her services on the Evangelistic Committee '46-'47, as a member of the Railway Mission and Open Air departments of this group and as the pianist for the Missionary Committee during '47-'48. She has also been busy week by week teaching a Sunday School class.

The future has yet to be revealed but Desire says, "I am trusting in my Saviour, who alone knoweth the way I shall go." Hebrews 13:5, "I will never leave thee, nor forsake thee," is her favourite Scripture verse. We are sure God will unfold His will as Desire goes forward in the Christian way.

Verna Annie Kelso, Toronto, Ontario.

Seeing a need for training in the things of Christ, Verna left factory work to come to T.B.C. and she has been very sincere in her efforts for the Master during the years at College.

She has served on the Devotional, Evangelistic and Social Committees, has taught Sunday School in her home church, been a leader in vacation schools and also worked for the Toronto City Mission during the summer of 1946.

Verna is desirous of serving the Lord wherever He leads and believes He would like her to serve in Western Canada. We wish Verna God's blessing in her witness for Him. Philippians 3:13-14 is her favourite Scripture passage, and we are sure she too will "press on toward the mark for the prize of the high calling of God in Christ Jesus."

Doreen Elizabeth Kerr, Island Brook, Quebec

Doreen is one of the many pleasant, helpful nurses we have in the College Family. She trained in the Catherine Booth Salvation Army Hospital, graduating in 1944. Her work before coming to College was in the Royal Victoria and Catherine Booth hospitals.

The Missionary Committee of the College kept Doreen busy in '46-'47, and this year she is serving on the Nurse's Contact Committee and in children's work, the field in which her interest is chiefly centred. She has been active as secretary of a Sunday School and as a Sunday School teacher.

Doreen's "new birthday" was December 17th, 1944. Since then she has been faithfully serving her Saviour. It is her hope to take a course in Child Evangelism after graduation. Her assurance is spoken of in Psalm 62:7: "In God is my salvation and my glory: the rock of my strength, and my refuge, is in God."

Arthur Hiram MacLean, Newcastle, N.B.

It was a happy day in Art's life when at the age of thirteen he realized that Jesus Christ loved him personally and died on his behalf.

He has been active in the practical work of the College as a member of the Hospital Committee '46-'47, and in the services and visitation work of that group. During his final year he has been the faithful and capable leader of the Devotional Committee.

Outside of the College, Sunday School Work and Daily Vacation Bible School have claimed his interest and time. One summer on the Home Mission Field has contributed valuable experience.

Art looks forward to preaching the Gospel where Christ is not yet named. Typical of him is his desire "that Christ shall be magnified in my body, whether it be by life or death." - Philippians 1:20

Josephine Winona McLellan, Canterbury, N.B.

Josephine has come a long way for her training, from Canterbury no less, the New Brunswick Canterbury! Space forbids a full catalogue of Josie's many activities in and out of College, but here are a few: member of the Voluntary Work Committee in her first year, recording Secretary of Missionary Committee in second year, and member of Cabinet as News and Detail representative in her graduating year; Sunday School teacher and Young People's leader, teacher at a summer camp, and also student pastor of a church during the summer of 1947.

Josephine, impressed with the fellowship enjoyed by members of different denominations who yet are all one in Christ, has found T.B.C. "just a bit of heaven". After graduation Josie hopes to return to the Maritimes there to continue her ministry for the Lord.

Favorite verse, Philippians 3:10.

Dorothy Masecar, Vanessa, Ontario.

As a child Dorothy came to know Christ as her Saviour. After graduating from high school, desiring to train for full-time service, she came to T.B.C. For two years her assistance has been valuable to the Devotional Committee; she has also served on the Evangelistic Band in her final year. During her stay at the College she has been working among young people and teaching Sunday School.

After graduation Dorothy plans to take a nursing course and enter children's work. Her favorite verse is Psalm 94:22, "The Lord is my defence; and my God is the rock of my refuge."

John Elmer Miller, Meaford, Ontario.

John accepted Christ as Saviour at the conclusion of a Sunday School session at which a neighboring pastor spoke. He attended public and high school in Meaford and after spending some time in the Army came to T.B.C.

During '46-'47 he served as leader of the Yonge St. Mission group, and this year is Associate Head Boy and also a member of the graduating class executive. A summer pastorate in a Mission Church at Redbridge in 1947 gave him helpful training for future work. John has had a busy time at T.B.C., and has gone about his duties in a quiet, yet very efficient manner.

As he leaves the College he plans to take further training. He is trusting the Lord to guide him until that day when "we shall be like Him; for we shall see Him as He is". His favorite verse is Isaiah 42:2.

Elizabeth Alice Morphet, Emo, Ontario.

Bessie, as she is known to the students, came to a saving knowledge of the Lord at fourteen years of age. Since then God has blessed her abundantly, leading her into two outstanding fields, teaching and nursing, experience which will mean much in future service.

Sunday School and Young People's work have benefited by her efforts, and she has served for a summer as assistant to a missionary in a country church in Northern Ontario. Before entering T.B.C., Bessie heard the call to witness in Africa and to that end has dedicated her life. Her preparation at T.B.C. has included work on the Open Air and Railway Mission Committee for this year, and as associate editor of the *Gateway*.

Her only desire is that His righteousness will shine forth through her a true "light of the Gentiles", Isaiah 42:6.

Douglas Gordon Murray, MacRorie, Saskatchewan.

Before entering T.B.C., Doug., as he is affectionately known, has spent seventeen years in farming, and over three years in the Royal Canadian Air Force.

Doug. is one of those persons who, working quietly in the background, keep everything running smoothly, and Faculty and students alike have benefited by his helpfulness.

During his course in T.B.C., his activities have included the care of the lantern and slides during music periods, Sunday School teaching, and work as Librarian on the Missionary Committee '47-'48.

After graduation his desire is to return to Saskatchewan and tell of God's love, mercy and redeeming power through Jesus Christ, his Lord, thus helping to fulfil God's purpose as it is declared in his favourite Scripture verse, John 3:17. We feel sure his practical Christianity will be an inspiration there as it has been here.

Aili (Anne) Mutkala, Thornbury, Ontario.

Anne was "born again" in Thornbury Baptist Church in 1940. Prior to coming to T.B.C., she was engaged as a farmerette and also spent five years in practical nursing.

The love and kindness of God through the Lord Jesus made a deep impression on her heart and fully satisfied her need. Here at College the unfolding of both the Old and New Testaments has been a source of constant help to her.

During her course she was a member of the Missionary Committee '46-'47, and leader of Sunday School work in '47-'48. Her loyal service for her Saviour has been greatly blessed in teaching Sunday School and in leading a Young Women's Mission Circle.

Anne leaves us looking to her Lord for further guidance. Her favourite verse is Psalm 40:5.

Malca Miriam Norris, Deseronto, Ontario.

We call her Kim and visit her with our aches and pains, for she served as our College Nurse during her senior year.

Previous to T.B.C., Kim attended Cornwall Collegiate Institute, trained as a nurse in Kingston General Hospital, and it is now her desire to serve the Lord as a medical missionary to the Canadian Indians. She has already spent a year in a mission hospital in Queen Charlotte Islands and last summer served at Bella Bella, B.C. Kim has been busy in College, too, for in addition to her duties as School Nurse she serves on the Cabinet, and has spent one year on the Broadcast Committee, '46-'47.

Kim's testimony in brief is, "Learning more about Christ, experiencing His guidance and faithfulness, I have been progressively yielding my life to Him." Her desire is to obey the command in 1 Peter 3:15.

Ruthena Fern Patterson, Mimico, Ontario.

Just one glance at our Head Girl reveals a sweet and loving surrender to the will of Christ. As a member of a fine godly home, she has known the love of Christ since childhood. Four years ago a complete surrender was made and Ruth was led to T.B.C. for further training. Her life as one of the College Family has been greatly enriched through study, contacts with the faculty and students, and the many activities of the College.

She has served most capably on the Evangelistic Band '46-'47. Ruth has been engaged in Home Mission and Canadian Sunday School Mission work during the summer of '47.

Ruth's future plans include further training for Missionary service. Her favorite verse is Philippians 3:8.

Jean Violet Phillips, Vancouver, B.C.

Jean was brought up in a Christian home and came to love her Lord at a very early age. After public and high school she attended the University of British Columbia for a short time and then was employed in her father's jewellery store.

To all who have known Jean, her lovely Christ-like nature has meant much in the enrichment of their own lives. Her quiet and efficient work has been of great value.

She has served as Secretary of the Broadcast Committee '46-'47, and on the Missionary and Gateway Committees '47-'48. Here in Toronto she has been of great help in Sunday School, C.G.I.T. and Young People's work at Memorial Baptist Church, where her husband is the pastor.

Together they plan to serve the Lord in foreign fields after Jean graduates. Her favorite verse is Psalm 45:9.

James Dais Pimentel, Devonshire, Bermuda.

Jim was a successful business man in Bermuda when God called him out of darkness into light. Some months after he and other young fellows had molested an evangelist in a street meeting Jim was converted through that minister's preaching. Jim lives for the Lord now and is preparing for the ministry, through his course here and also through private study leading to a B.A. degree.

Jim takes every available opportunity for preaching the Word and has effectively witnessed both in his homeland and while in Canada. He has led the Scott Mission work during '47-'48 and rendered fine service there.

Jim's future plans are many and include intensive study and service. His desire is that he may be used to tell others of the love of Christ. His favourite verse is John 12:32.

Irene Dora Quick, Foxmead, Ontario.

Irene might well be described as "multum in parvo", a proof that the best things come in small packages. Certainly she is a bundle of energy, all of it used in good causes.

Before entering T.B.C. Irene worked on a newspaper and also served as secretary to a lawyer. This experience has been a great asset to her as a reporter for the Broadcast '46-'47. During '45-'46 Irene was a valuable member of the Evangelistic Committee. She also filled with her usual distinction the office of Gateway Treasurer '47-'48.

Irene also uses her talents to advantage in Sunday School, Young People's and choir work.

After graduation she hopes to take further training. Her favorite passage is Proverbs 3:5, 6, for Irene is glad that "God holds the key to all unknown."

Robert Andrew Russell, Toronto.

Bob was privileged to grow up in the atmosphere of a wholesome godly home and took his stand for Christ at an early age. Later, while studying the Word, he was brought to the realization that God wants our best and our all. To that end he is training for the Christian ministry.

He has not been idle since leaving his work as Jewelry-store Salesman. He had two valuable years in Mission work prior to serving in the army for five years, and is now pastor of a church that he and his wife organized at Cobourg last summer. College Committee work has kept him busy as Associate Evangelistic Leader '46-'47. He has also rendered outstanding service to the College through his talents in photography.

Bob's steadfast purpose is expressed in II Timothy 2:15.

Marion Catherine Salmon, Concord, Ontario.

Marian came to us from a fine Christian home and through her parents learned to know the love and saving power of Jesus Christ.

On graduating from high school God led her to T.B.C. During her course Marion's lively, enthusiastic spirit has meant much to the Broadcast Committee '46-'47 and the Evangelistic Band '47-'48. During the summer months she has enjoyed working at Canadian Keswick.

Marion, rejoicing in her Christian experience, declares "The Lord has done great things for me whereof I am glad". As she leaves, Marion trusts in Him alone to guide her as He may choose Deuteronomy 31:8, her favourite verse, has been a constant encouragement to her throughout her Christian life.

Muriel Jean Scribner, Toronto, Ontario.

Muriel accepted Jesus Christ as her personal Saviour when in her early teens.

She was employed in Domestic work in her home-city of Toronto before entering T.B.C.

Throughout her College days she has been active in Sunday School and Hospital Work. She has served with quiet diligence on the Social Committee '46-'47, and in the Evangelistic Band as Secretary of the Devotional Committee '47-'48.

After graduation, she hopes to take a practical Nurse's Course in preparation for full-time service for her Master.

Muriel considers her years in T.B.C. precious, deepening her realization of God's love and purpose. Characteristic is her desire to be a channel of His love to others.

"Your life is hid with Christ in God", Colossians 3:3, is Muriel's favorite verse.

Mildred Adeline Smith, West Port Clyde, Nova Scotia.

A school teacher before coming to College, it has been Mildred's desire to learn of Christ that she may serve her Saviour more effectively. During College life she has worked faithfully as Associate Leader of the Jewish Work Committee, and in this past year as Associate leader of the Social Committee. She also teaches Sunday School in Toronto.

Jewish visitation work has brought much blessing and she would be happy to continue taking the gospel to these people. She awaits the Lord's will for the future, confident that He will lead step by step to the appointed place of service, for "Faithful is He that calleth you who also will do it."

Mildred's testimony to her Saviour is, "My Lord is ever faithful, and Oh, so gracious." The deep desire of her heart is expressed in Phil. 3:10.

Lucinda Snyder, Waterloo, Ontario.

Through the influence of a Christian home Lucinda accepted Christ as Saviour when only twelve.

A desire to know God's Word and teach it ably to others, awakened in her heart by 1 Peter 3:15, brought her to T.B.C. Here the deep truths learned have brought full surrender of her life to Him.

Lucinda's busy life has included Sunday School and Daily Vacation Bible School work, as well as City Mission work in Detroit Michigan, during the summers of '46 and '47.

In the College she has given loyal service on the Evangelistic Committee '46-'47, the Voluntary Work and Social Committees '47-'48, and as Social Convener of the Graduating Class Executive.

The truth of her favorite verse, Galatians 2:20, shown forth in her life has made her a true friend and inspiration to all of us. We pray God's blessing upon her as she continues in His service.

Cuthbert W. Thomas, Toronto, Ontario.

Cuthbert spent six years in the Royal Canadian Army Medical Corps prior to entering T.B.C.

He has gained valuable experience for the future through two years in Mission Work.

At College he served quietly and faithfully during '47-'48 on the Broadcast Committee.

Following graduation Cuthbert hopes to enter Wycliffe College for a course in Theology in preparation for service of his Lord and Master in the Canadian North West.

Dearest of all Scripture verses to Cuthbert's heart, and the one which will be the theme of his message, is John 3:16, "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

Cuthbert possesses two worthy attributes, humility and sincerity, which will help to make his message effective.

Marjorie May Thompson, Toronto, Ontario.

Since Marjorie accepted Christ in June 1939 she has known a fellowship far sweeter than any earthly friend can offer, and her friendly manner amongst the members of the College family has won her a place of high esteem in the hearts of the students.

Before coming to T.B.C. she was employed for six years at the 1 Eaton Company.

While at College Marjorie has served on the Music Committee, and also as a valued member both of the Choir and the Ladies' Double Trio. She has worked as well among young people and children. In her final year she has shown her capabilities as Co-Missionary Leader in the Cabinet and as Co-President of the Graduating Class Executive.

Marjorie leaves us determined that "Where He leads, I will follow." Her favorite verse is Galatians 2:20.

Eileen Margaret Voyce, Lakeview, Ontario.

In her early teens the Lord showed Eileen her sinful state and led her to a personal acceptance of His love. Through a desire to know more of her Master she came to T.B.C. Here at College the life of complete self-denial has become real and vital to her. Her one desire is to "Live Christ" in her life.

Eileen has worked as typist for the Broadcast Committee '46-'47, and as leader of the Women's Work Committee '47-'48. She has also enjoyed the privilege of serving as a Sunday School teacher, and working among children and young people.

For the future Eileen is willing to go wherever the Lord leads. Her favorite verse is Galatians 2:20.

Edith Marie Wilcox, Woodstock, N.B.

Toronto is a long way from Woodstock, N.B., but we are glad distance did not keep Marie from leaving her birthplace to come to T.B.C. The turning point in Marie's life came at thirteen and since then the Lord has been foremost in her thoughts and actions.

As a member of the Social Committee of '46-'47 and leader of the Music Committee '47-'48, Marie has contributed to the social, athletic and spiritual phases of school life. A member of the choir, and a capable soloist, Marie uses her voice to glorify the One who put a song in her heart.

Marie hopes to be a nurse; we hope she succeeds, if only for the sake of her prospective patients! Our prayers will go with Marie as she looks to the future. Philippians 4:13 will reveal the secret of her success.

Donald John Wilkinson, London, England.

Twenty years ago our graduating Class President accepted Jesus Christ as his own Saviour.

Growth in knowledge and grace came gradually until he surrendered his life fully to the Lord in his second year at T.B.C.

He has done a bit of farming; and has spent several years in the Imperial and Canadian Armies, some of them in the Far East.

In College activities he has served as a member of the Devotional Committee '45-'46, and as the capable leader of the Yonge Street Mission Committee '47-'48.

Don, spent the summer of '47 as student-pastor of Kenora Independent Baptist Church, where he plans returning after graduation.

Studious, ambitious, constantly depending upon the promise of Isaiah 41:10, we trust Don will be much used of the Lord in the Home Ministry.

Jessie Baxter Wright, Montreal, Quebec.

While her home is now in Montreal Jessie was born in Scotland. Having accepted Christ as her Saviour when twelve years old, at sixteen she dedicated her life to full time service for Him.

Prior to coming to T.B.C. she worked in an insurance office. As she leaves the college she plans to take a Practical Nurse's course that she may be fitted for missionary work.

She has served on the Hospital Committee '47-'48 and has been one of the leaders in this department. Young People's work, Mission Band, Sunday School Teaching all help to keep Jessie busy.

She goes forward fully satisfied to follow Him, testifying, "The Lord is my light and my salvation whom shall I fear? the Lord is the strength of my life; of whom shall I be afraid?" Psalm 27:1.

"LIVING FOR CHRIST"

*Living for Jesus, seeking the lost
Just where He leads, not counting the cost,
Out in the desert or jungle deep,
Far in the northland where cold winds sweep,
In crowded cities or western plains,
High in the mountains, in country lanes,
On sea-girt islands where palm trees sway,
Here in the Homeland or far away.*

*Living for Jesus day after day,
Moment by moment walking His way,
Loving our neighbours, easing their pain
Bringing them hope of living again,
Patient, enduring, labouring in prayer,
Telling of Him who died for us there,
Nailed on the Cross in payment for sin,
Giving His all our pardon to win.*

*Living for Jesus, privilege so sweet!
Casting our all at the Saviour's feet,
This for our future is what we ask.
Knowing that earth has no higher task,
Lord God, before Thee humbly we bow,
Bringing to Thee our petition now,
Grant us Thy Spirit fully alway
This, for Thy glory, Father, we pray.*

*Living for Jesus a life that is true,
Striving to please Him in all that I do,
Yielding allegiance, glad-hearted and free,
This is the pathway of blessing for me.*

2.

*Living for Jesus who died in my place,
Bearing on Calv'ry my sin and disgrace,
Such love constrains me to answer His call,
Follow His leading and give Him my all.*

3.

*Living for Jesus wherever I am,
Doing each duty in His Holy Name,
Willing to suffer affliction or loss,
Deeming each trial a part of my cross.*

4.

*Living for Jesus thro' earth's little while,
My dearest treasure, the light of His smile,
Seeking the lost ones He died to redeem,
Bringing the weary to find rest in Him.*

CHORUS

*O Jesus, Lord and Saviour,
I give myself to Thee,
For Thou, in Thine atonement,
Didst give Thyself for me;
I own no other Master,
My heart shall be Thy throne,
My life I give, henceforth to live,
O Christ, for Thee alone.*

Frances Hawthorne Adair, Toronto, Ontario.

Frances has been a cheerful, willing student and worker during her College course. She gave herself to the Lord five years ago and is finding Him ever faithful. She is employed in Toronto and is active in her Master's service as a Sunday School teacher at the United Missionary Church and also at Dixon Hall. Her activities at the College have included faithful leadership of the Missionary Committee '46-'47 and the Devotional Committee '47-'48.

Frances awaits the bidding of the Lord with confidence that as He unfolds His will she "can do all things through Christ", Phil. 4:13.

Earl Graham Babcock, Toronto

Earl has been described as one who is zealous in the work of the Lord. This appears to be a fitting description in view of the fact that in less than a year after conversion he entered evening classes at the College.

During his three years here, he has been an active and valued member of various committees, Broadcast Committee '45-'46, Evangelistic Band as Leader '46-'47, Social Committee and evening class executive as President '47-'48. Earl has also been active in the Lord's vineyard, as Sunday School teacher and a worker among children.

His chief desire is to serve Christ in whatever way His Lord desires. Favorite verse, Isaiah 53:5.

Esther Muriel Griffiths, Toronto.

The testimony of Esther's Christian experience is wrapped up in a favorite saying, "He saves, He keeps, He satisfies".

Esther, born in Toronto and brought up by Christian parents, learned of Christ and found Him as Saviour when quite young. Busily employed by a firm in the city, she nevertheless finds time to pursue the Evening Class course, act as Vice-President of her Young People's group, and serve as a Sunday School teacher and a C.G.I.T. leader. With so much required in these many departments of her own local church, she is studying that she may be more effectively used of God in this work.

Esther goes forward in the assurance of her favorite Scripture verse, Philippians 4:13, "I can do all things through Christ which strengtheneth me".

Marion Ruth Harrison, Toronto.

Marion has known and loved the Lord from early childhood. During her years in public and high school she gladly testified of the saving power of Christ. Realizing her need of guidance in spiritual things, and the fellowship of those of like mind, Marion came to T.B.C. During her three years here she has found all that she hoped for.

Marion proved herself a truly live-wire reporter for the Broadcast during '46-'47.

She has also been a Sunday School teacher and has worked in the Pioneer Gospel Workers' Mission.

After graduation Marion intends, with the Lord's help, to serve Christ according to His leading. Favourite verse, Phil. 1:21.

Norma Lillian Moore, Mount Dennis, Ontario

Norma is one of the Lord's busy people, "abounding" in every good work. While in her first year she was a member of the Music Committee and the following year became its leader. Her final year has been spent in serving as Secretary-Treasurer of her class.

Norma, who was converted at the age of twelve, began to teach a Sunday School class when she was fifteen. Since then she has added to her activities those of church pianist and "Junior Work" leader.

Like many more, Norma soon came to feel the need of further training, and so entered T.B.C. Whilst here, she has found the fellowship enjoyed with other Christians develops one's own spiritual life. The Lord has not called Norma, as yet, to any definite field of service, so she plans to continue her church work, and quietly wait upon Him. Favourite verses, Philippians 4:13; Matthew 6:33.

Irene Patricia Stocks, Toronto, Ontario.

Irene thanks her Lord that she was brought up in a Christian home. She attended Sunday School from an early age. It was there that she learned more fully about Jesus and His love. It was not long before she wanted to know Him as her personal Saviour, and one Sunday she knew the joy of this experience.

As a Sunday School teacher and a group leader in a Mission Circle, Irene has had the pleasure and privilege of pointing others to her Saviour.

Irene's earnest desire is to study that she may serve the Lord better in her Church and Sunday School. Favourite verse, Psalm 32:8.

William Muirhead Tinney, Toronto, Ontario.

Three evangelists, each of them speaking on the same text, John 3:36, were used, through the power of the Holy Spirit, to bring Bill to a saving knowledge of the Lord Jesus Christ. This happened eleven years ago and Bill has continued to grow in the grace and knowledge of Christ. Putting his faith into practice he has spent three years in Young People's and Personal work and has been faithful as a Sunday School teacher during the past four years. His studies at T.B.C. are enabling him to serve his Lord more efficiently, and he is seeking God's will for the future.

In the College, Bill's capable work as a member of the Social Committee and his helpfulness in other ways are much appreciated. He rests in the assurance of the verse, "My help cometh from the Lord", Psalm 121:1-2.

Bessie Pearl Alicia Turnbull, Toronto, Ontario.

Bessie, born of Christian parents, is profoundly thankful to God for a Christian home. In fact her parents were missionaries. Since she was twelve years old Bessie has not only known Jesus Christ as Saviour, but she has grown to love Him more and more.

Bessie is active in her church as a Sunday School teacher and is a group leader in the Young People's organization.

After leaving T.B.C. Bessie, who is known to us as one who puts Christ first, hopes to be more serviceable to her Lord because of the training received here. Favourite verse, Isaiah 11:10.

Catherine Williamson, Toronto, Ontario

Mrs. Williamson was born in Scotland and was brought up in the environment of a Christian home. She accepted Christ as a child and has found the Lord her strength, guide and comforter.

Since coming to Toronto, Kay has been actively engaged as a Sunday School teacher, secretary of a Young Women's group and a member of her church choir. With a desire to further her knowledge of God's Word, she enrolled at I.B.C., and has enjoyed the opportunity of learning and serving. In '46-'47 Kay was Social Convener and during this past year has been the Head Girl for the Evening Classes.

Her hope is that she may be used in Sunday School work to win others to a saving knowledge of her Saviour. She faces the future with the assurance of His promise in Proverbs 3:6.

Vincent Harold Woodhouse, Newmarket, Ontario.

Vincent has had the great joy of serving the Lord for the past ten years and has proven that God's grace is wonderful.

A machinist by trade, Vincent is studying at the College to fit himself for wider service. Whenever opportunity affords he is working for the Lord through the ministry of the Word, and for the past two years has been a Sunday School teacher at Yonge St. Mission. College activities have been helpful to Vincent and he in turn has been helpful on the Social Committee '45-'46, Evangelistic Committee '46-'47, and Devotional Committee '47-'48.

We are hoping that Vincent will before very long become a student in the Day Classes of the College. His desire is "to be ready always to give an answer to every man that asketh you a reason of the hope that is in you."—I Peter 3:15.

Olive Zimmerman, Fort William, Ontario.

Olive began her course as Olive Bahry, but was married in 1947 to one of our former students.

Her acceptance of the Lord took place in a Young Ladies' Bible Class in Toronto, and since then she has realized that the peace and joy of a Christian life are things the world can never give.

A laboratory technician, Olive finds opportunity to serve her Lord during the day and in her spare time. She teaches a teen-age girls class, is secretary-treasurer of a Sunday School, and has served on the Devotional Committee of the College during '46-'47.

God knows His future plan for Olive and in this she is satisfied, for "He has promised to go before". Psalm 18:2 is no doubt the secret of her calm strength.

What Their Friends Say of Them

Frances Adair: "Serious minded, a ready smile, always willing."

Earl Babcock: "Zealous in the work of the Lord."

Marion Harrison: "Brim full and flowing over, only as the Lord can give unto His own."

Esther Griffithy: "Serving the Lord with humble spirit."

Norma Moore: "The sunshine of her smile causes one to see that the light of God's love illuminates her heart and life."

Irene Stocky: "Her ways are ways of pleasantness and all her paths are peace."

William Tinney: "Quiet but faithful in all things."

Bessie Turnbull: "Putting Christ First."

Catherine Williamson: "The love of Christ is indeed manifest in her life and in her dealings with fellow students."

Vincent Woodhouse: "Vincent's desire is to live for Christ."

Olive Zimmerman: "Quiet and humble, her personality radiates into the lives of others."

"For we are labourers together with God."—1 Corinthians 3:9.

Truly we were babes in Christ before entering T.B.C., having only been fed milk. Now, through the study of His Word, we have been fed meat by His faithful servants, enabling us to become better labourers with Him.

As the Evening Class Cabinet we have been honoured to serve in a small way in the leadership of student activities. This has been a wonderful experience, and a great joy to each of us. At all times and in all things we have sought the guidance of the Holy Spirit, humbling ourselves before the Lord, that we might give Him all the honour, praise and glory. As we have come before the Lord in prayer we have been knit very close to one another and into closer fellowship with our Lord and Saviour. We can surely say with the Psalmist, "The Lord hath done great things for us wherof we are glad." Serving in this capacity has given us the opportunity to become better acquainted with the student body. We have found them to be a very happy group, seeking only to study and to work for the Master.

As we gathered to hear of the work accomplished and of the blessings received by the Day Students in their Barrie campaign, we were sorry that we were unable to accompany them. However we did join with them in the close of the Day of Prayer and were able to share in the blessings received.

We are now looking forward to our Summer work when we shall take over some of the duties of the Day Students, as they go on their vacation and to their work in outlying places across Canada.

As we go on to further service for our Lord, to whatever task lies before us, we shall ever remember His promise: "If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you."

DEVOTIONAL COMMITTEE

"Lord, teach us to pray . . . When ye pray, say, Our Father." So it is that through the Lord Jesus Christ we are able to come to God and call Him "Father". This is a word of praise and is a pledge of our love for Him.

It is a wonderful privilege that we have of laying aside the things of the world and drawing nigh unto God. He is a God who hears and answers prayer, and we are confident that He will abundantly supply our needs.

"Bear one another's burdens, and so fulfil the law of Christ." Galatians 6:2. We have this command to pray for one another. As Christ intercedes for us before the Father, so should we intercede on behalf of others that we may become strong.

SOCIAL COMMITTEE

Our first social was early in November, and the order of the evening was games, refreshments and family devotions.

December 11th was the night of our Christmas dinner and Carol service. Truly our hearts were warmed as we sang the old carols which herald that ever-new song — "Christ is born!"

A sleigh-ride formed our third social event, and once again we enjoyed fellowship one with another and with Him.

The feature of each social gathering is not the games—fun as they are; not the refreshments—welcome as they are; but the family devotions. This is when we gather at the close of the evening around the sacred Scriptures, then around the theme of prayer. That is where true fellowship begins—at the feet of Jesus.

BROADCAST COMMITTEE

It has been our happy privilege as an Evening Class Committee to work in co-operation and absolute harmony with the members of the Day Class Committee. Their willing assistance at all times has served to make our task easy.

During the past year we have endeavoured to bring to our readers reports on the various seasonal activities of the students. Following on the summer reports our First, Second and Third-year members sent Christmas Greetings to all our readers. In a later edition challenging missionary messages were published, and in another edition our Graduating Class members each gave a few words of witness.

It has been throughout our earnest desire that we should be found faithful in doing that which He has entrusted to us.

MISSIONARY COMMITTEE

"Go ye into all the world and preach the Gospel to every creature." —Mark 16:15.

Our orders are clear, the paths of duty and love are open before us and He who hath been given all power will never fail or forsake us. If we cast every care upon Him, He will enable us to fulfil His will in all things.

We of the Evening Class Missionary Committee have the privilege of arranging for speakers to bring us messages of God's work in the regions beyond, the first Thursday of every month. It is thrilling to hear of His wondrous work but our hearts are burdened because of the lack of workers. It is our earnest prayer that many may answer the Saviour's call with "Here am I, Lord, send me".

EVANGELISTIC COMMITTEE

Our Committee is happy to report a splendid series of meetings which has been held at the Yonge Street Mission and the Scott Mission during the past six months. We believe that the Lord has worked mightily through His spoken Word.

Several splendid testimonies were given in these services by the Evening Class Students.

We as a Committee wish to thank all other Committees for their loyal co-operation and the students who have taken part so willingly.

During the summer months when the Evening Class carries on these meetings entirely, due to the absence of the Day Classes, we expect to have a busy time. We ask you to please pray that God will continue His blessing upon the services and that souls will come into His Kingdom and be used to His glory.

MUSIC COMMITTEE

"Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord".—Colossians 3:16.

It is our happy task to work with those Evening Class students to whom God has given special musical talent. It is a joy indeed to have so many willing students, who are always ready to praise and exalt our Saviour's Name through music and song.

As we supply the Evangelistic Committee with vocalists and instrumentalists for their services in Missions and Churches, it is our prayer that through this ministry, God might bring souls to a saving knowledge of Himself.

FAREWELL

May I write with others to wish you all God-speed as you leave "home".

You came to the College with a desire to prepare yourselves for your life work and during that time of preparation the Lord has not only blessed you but He has made you a blessing.

Quite unconsciously you have contributed something to the life of the College.

Many times our hearts have been warmed and strengthened by a loving thought from many of you.

We do not think of you as a group but as separate members of our happy family and as such you have each a warm place in our thoughts.

"Father, our children keep;
We know not what is coming on the earth,
Beneath the shadow of Thy heavenly wing
O keep them, keep them, Thou who gavest them birth."

Thou-sands who in dark-est night Nev-er yet have seen the Light?
Of the Sav-iour kind and true, And the blame will rest on you.

Some may give and some may pray, But for you He calls to-day;
Soon 'twill be too late to go And your love for Je-sus show;
Will you, then, for-sak-ing all, Glad-ly heed the Mas-ter's Call?

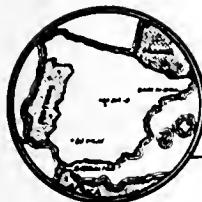

Will you ans-wer, "Here am I" Or must Je-sus pass you by?

SPANISH CHRISTIAN MISSION

A PRAYING FELLOWSHIP OF BELIEVERS FOR THE MINISTRY IN SPAIN

SPAIN

Our Missionary José Francés writes from Spain: "Tarragona, the city celebrated for its antiquity, is supposed to have been visited by the Apostle St. Paul; hence it was one of the first cities of Spain to receive the Gospel. Since then it has been without the Gospel for many years — for centuries, I would say — and what that city knows of Jesus today is through the superstitions and fanaticism of modern Roman Catholic paganism. This makes a difficult field for the preaching of the pure Gospel, but the power of God is here the same, since it saves souls." Pray for the evangelization of the 27,000,000 souls in Spain, perishing without the Gospel.

Announcement of NEW BOOKS

ALICE GEER KELSEY - MORE STORIES FOR JUNIOR WORSHIP - PRICE \$1.75

These thirty-one stories are designed especially for use in junior worship programmes and story hours. They are fresh in plot, swift-moving, and easy to understand. The contents include stories from other lands, from folk-lore, of early Christians, of later Christians, of today and of special days.

JOHN T. McNEILL BOOKS OF FAITH AND POWER PRICE \$2.25

Among the classics of Western religion are six great books which inspired and gave direction to the profound religious movements we now know as the Protestant Reformation—among them Luther's "On Christian Liberty"; Calvin's "Institutes of the Christian Religion"; Bunyan's "Pilgrim's Progress"; and John Wesley's "Journal". Because they are basic to Christian outlook and organization today, Dr. McNeill has selected them for a creative interpretation which takes into consideration the purpose which motivated them, their essential elements—literary and philosophical, their historical and religious setting and the kind of men their authors were.

NELS F. S. FERRE PILLARS OF FAITH PRICE \$1.75

Here a man known as a foremost interpreter of theology turns to a simple explanation for the layman of the five central pillars of Christian faith and their meaning for today. JESUS is the first pillar—an authority for His disciples in His and all generations to follow. Another pillar—THE HOLY SPIRIT—was given to His followers upon His death. The third also followed soon after—THE CHURCH. Men revolting against the authority of the Church set up a fourth pillar—THE BIBLE. A fifth has been added in recent years as emphasis has been placed on EXPERIENCE.

ERNEST WALL THE SOVEREIGN EMBLEM PRICE \$1.50

This book will inspire twentieth century Christians to live in fuller devotion to Christ and to draw great meaning for their daily lives from the celebration of the Lord's Supper. The author discusses the meaning of the Crucifixion and the significance of the Lord's Supper as a demonstration of this meaning. The theme of the supremacy of the Cross runs through the entire book, with particular emphasis on Paul's relationship to the Cross as an example to us.

NATHANIEL MICKLEM. THE DOCTRINE OF OUR REDEMPTION. PRICE \$1.50

This volume presents a clear discussion of the ways outstanding Christian theologians, from the time of Augustine to the present, have viewed redemption. The author first considers the way in which the doctrine of our redemption is related to the Bible, to the church and to personal religious experience, and defines redemption as it concerns this world and the next. Then, in proper sequence, he traces the periods of the Old and New Testaments, of the Eastern Church, at the time of Augustine and through the Middle Ages and the Reformation.

WILLIAM L. STIDGER . SERMON STORIES OF FAITH AND HOPE . PRICE \$1.75

From the close observation of the lives of the "great" and from the every day activities of "just folks" has come this collection of ninety-five sermons. Each of the stories is brief, easy to read and easy to use. And each clearly and vividly points to some lesson which will bring a little fuller meaning to the life of every reader and hearer. In each the emphasis is on human interest. The moral is never labored—the reader is left to make his own application to suit his own situations.

The expression is often heard. There are plenty of heathen at home".

This is sadly true, but there is not one of these 'heathen' who cannot place himself under the sound of the Gospel by going to the nearest evangelical church or simply by turning a knob on his radio!

The Sudan Interior Mission is responsible under God, for millions of people who have never yet heard the Gospel and **who will not hear** unless we take it to them!

What a challenge to any virile young man—to fight on the battle front rather than enjoy his ease behind the lines!

If you are interested, write to the Secretary

THE FAITH MISSION IN CANADA

(Incorporated)

has workers in British Columbia and Ontario, conducting evangelistic campaigns in rural communities. More than a thousand of these have already been held, but more and more young men and women, called of God and equipped by His Spirit, are needed. Help us by prayer to this end. Missions are conducted in churches, halls, schools and on the beaches with encouraging results. For more than sixty years this Mission has been evangelizing villages and now has workers in Scotland, England, Ireland, S. Africa, and Canada.

6 FACTS YOU SHOULD KNOW

concerning the

European Christian Mission

1. That for forty-four years this inter-denominational work of faith has been making known the Gospel of Christ among 400,000,000 unevangelized in Europe, and that thousands of souls have been saved.
2. That through both European and foreign workers the EUROPEAN CHRISTIAN MISSION is bringing the gospel to the peoples of Spain, France, Holland, Germany, Czechoslovakia, Russia, and other parts of Europe.
3. That this work of the Lord has established an evening Bible school in Marseilles, France, and is training forty men and women in God's Word and prayer.
4. That the Mission maintains an orphanage in Cannes, France, where children are receiving physical and material care and the message of God's love for them in Christ.
5. That also it is sending tons of clothing and food to distressed and suffering children of God in Europe.
6. That the EUROPEAN CHRISTIAN MISSION needs the prayers and the help of thousands more additional friends in Canada and America to establish day Bible training schools in France, Holland, Germany and other countries, to set up printing presses in Europe for the propagation of Scriptures and Christian literature, and to increase its number of Spirit-filled workers, both European and foreign.

YOUNG CHRISTIAN! Will you give your life to the Lord on behalf of Europe?

If so, write to:

THE
UPPER CANADA BIBLE SOCIETY

Auxiliary to

The British and Foreign Bible Society
in Canada and Newfoundland

The British and Foreign Bible Society was founded in London in 1804 "to encourage a wider circulation of the Holy Scriptures without note or comment," for every man in his mother tongue.

At the time of the Society's foundation Holy Scripture had been translated into only 72 languages. The Society has now circulated Scripture in over 760 languages, and in normal times distributes over ten million copies annually.

The Upper Canada Bible Society was founded in 1818 to do the work of the British and Foreign Bible Society in the Province of Ontario. It employs five colporteurs within its territory and circulated last year over 104,000 copies of Scripture in 43 languages.

Besides providing for its own undertakings, it shares in the world-wide work by contributions to the Parent Society, and by the support of some 25 colporteurs in foreign lands.

Contributions in aid of its work, and enquiries regarding Scripture supplies may be sent through any local branch or to

The Printed Word

THE MAKING OF BOOKS, MAGAZINES AND PAPERS

Back in the Dark Ages, the Bible, God's Word, was seen and read by only a few learned men while the great mass of dying souls groped in darkness. Then came the printing press; and now, in our day, by means of linotypes, great presses and a world-wide postal system, the Bible is free to all.

The world has made good use of this means of scattering its information and propaganda to all peoples everywhere, and now it is doing so more than ever. Many of the **ANTI-RELIGIOUS bodies** of the new world and others have realized the importance of keeping their doctrines

before the public by the printed page and are doing so by house-to-house distribution of books, pamphlets and periodicals.

SHOULD WE NOT, GOD'S children, learn a lesson from all this—a forcible lesson? What are we doing to scatter God's Word and Gospel truth; to place in homes books, papers and tracts that will make people think of their soul's welfare? There is a great deal of printed matter teaching Gospel Truths which may penetrate where the Bible would fail to gain an entrance.
